

2019 Junior Golf Programs June 13th – August 8th

Every Thursday (excluding 4th of July) for 8 weeks!

Ages 4 – 7 --- 9:00 – 10:00 a.m. -- \$150

Ages 8 – 12 --- 8:00 – 9:00 a.m. -- \$150

This program offers students the skills and knowledge necessary to increase their golf game. Since all lessons are individualized according to the student's skill level, new golfers are encouraged to participate in this program as well. Students will learn swing fundamentals, golf etiquette, respect for the course and each other, teamwork, and responsibility. Throughout the course of this eight week program it is our primary goal to make sure the students participate, learn, and have FUN!!

The students will also play on the golf course the last 2 or 3 days. Dates and times of this will be determined based on the progress of the class.

Ages 10 – 15 --- 7:00 a.m. tee off (9 holes) then 10:00 – 11:00 a.m. lesson -- \$200

This program was designed to give kids an opportunity to advance their golfing ability to the next level. This program will introduce a competitive edge, which will begin to put the player under the same types of pressure they will begin to experience throughout their high school and/or tournament career. Each day begins with 9 holes and then they are provided with a lesson after their round. On August 8th there will not be a lesson after due to the end of the year banquet.

This program offers 8 – 9 hole rounds and 7 golf lessons. To be able to participate the student must be able to play 9 holes of golf with little supervision.

Other notes -

June 13th – August 31st junior golf participants receive free twilight golf with a paid adult.

August 8th – End of the year banquet from 9:30/10 – 11:00 – lunch for the kids and certificates are handed out.

We play in any non-threatening weather. Lessons will still be held if we can't go outside, we go over rules, etiquette, watch a golf movie and/or set up mini golf inside.
