**Members Present:** I don't remember

Marty opened meeting at 6:50 p.m. with a gregarious Welcome to the 2018 Men's Club season!

- THANK YOU VICKY FOR THE FREE DRINK!!
- Fix your divots & repair ball marks
- Tournaments will be posted. Make sure you check the board by the Ladies bathroom to see who you play. Contact info for your fellow parishioners is hanging on the same board so you can call or email them to determine date and time to play. Once tournaments start, we ask that you stay on task to get them completed.
- Tuesday May 8 business meeting will also be a meal night. Make sure you sign-up for it Tuesday May 1 or you'll go hungry. Sign-up sheet will be on same table that you toss your score cards on.
- As I serenaded the crowd with my rendition of reading the minutes, which I'm still not sure why, Terry McAdams brought it to our attention that you can post your scores from your home computer if you don't have time after your round. See Terry for instructions. After posting my low scores on site, I can attest it goes very fast. Bottom line is make sure to post your score every week!

**Meeting Adjourned:** Good Rich called meeting, Larry Iding second at 7pm.

Respectfully submitted,

Rich Lynch
